**TRANSMITTAL OF INFORMATION DISCLOSURE STATEMENT (IDS)**

**MAIL STOP AMENDMENT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450**

Sir:

In accordance with the continuing duty under 37 C.F.R. § 1.56 to disclose to the United States Patent and Trademark Office ("PTO") any information that may be material to patentability of the above-identified Application, please find enclosed form PTO/SB/08A listing references presently known to Applicants.

In accordance with current submission rules, Applicants submit paper copies of non-PTO documents. Applicants also previously electronically filed ten electronic information disclosure statements containing PTO documents. The electronic submissions were submitted on 5 December 2005. Applicant notes that reference citation numbers 42-46 and 58-59 are not submitted herewith. Applicant is diligently searching for these references and will provide them in a later submission.

The submission of this information shall not be deemed an admission that this information is necessarily material to the patentability of the above-identified Application. In addition, the submission of this information shall not be construed as a representation that a search has been made.

Applicants respectfully request the Examiner to consider the documents listed on the enclosed PTO/SB08A form and the 5 December 2005 electronic information disclosure statement submissions in accordance with 37 CFR § 1.97(c) as the mailing date of a final action, a notice of allowance, or an action that otherwise closes prosecution in the application has not occurred.

Applicants also respectfully request the docket number of this Application be changed from 081607-1010 to STAT1010. The prosecution of this Application has been transferred to a new law firm (Troutman Sanders LLP), and its docketing procedures will utilize this new docket number. A *Revocation and Appointment of Power of Attorney* to the new firm, and a *Change of Correspondence Address* are enclosed to perfect this change in counsel to reflect that the new law firm is now prosecuting this Application.

Accordingly, Applicants respectfully request the PTO to update the records associated with this application to reflect the new power of attorney to Patent Practitioners associated with Customer Number 006980 and to direct all correspondence in connection with this patent application to the address associated with Customer Number 006980.

### **FEES AND CONCLUSION**

Applicants previously authorized the Commissioner to debit the IDS fee of \$180 from Deposit Account 20-1507 when filing the 5 December 2005 electronic information disclosure statement submissions (the first of the ten electronic submissions contained the previous fee authorization). Thus, no fees are believed due, but the Commissioner authorized to charge any deficiency in fees to Deposit Account No. 20-1507.

Respectfully submitted,

TROUTMAN SANDERS LLP
